

Semi Finalists Announced for the Key Business Awards

The Westbank & District Chamber of Commerce is proud to present for the ninth year, the annual Key Business Awards. These awards recognize businesses, organizations and person on the Westside who have achieved excellence in the community through their own abilities, efforts and initiatives. Any business, organization or individual is eligible to be nominated and win.

On Friday February 5, the Lakeview Heights Community Hall was buzzing with almost 100 nominees, friends and guests to hear the announcement of the Semi finalists in the Key Business Excellence Awards during an evening Wine & Cheese. Thanks to Laureate Beta Mu for assistance in food and preparations.

The Key Business Awards have 13 categories and the chamber received over 140 nominations that included 69 businesses. Nominees who have won within the last two years may not win in the same category; we were amazed that several businesses and organizations continue to be nominated for excellence and we congratulate them for their dedication to service and commitment to excellence.
